

NCFE CACHE Level 2 Certificate Introducing Caring for Children and Young People

REACH

Child Development & Family Support Centre
مركز تنمية الطفل ودعم الأسرة

In a nutshell...

- An optimal entry point into the world of the early years.
- Ideal certification for teaching assistants in early years settings.
- Directly certified by NCFE CACHE UK, and approved by KHDA.
- Duration: 3 months.
- Teaching Hours: 2 hours per week.
- No work placement required.
- Online live interactive classes via Zoom – option of face-to-face sessions.

Why choose REACH Child Development and Family Support Centre?

- REACH Centre is accredited by the NCFE in the UK, and by the KHDA in the UAE.
- All the resources used in our training are evidence-based and have been specifically developed for the UAE context.
- Our courses are delivered by experts in their field.
- Our team of highly skilled assessors are all UK certified.
- Our approach in delivering our courses is based on principles of active learning and takes into account people's different learning styles.
- Each learner benefits from an individualised support to ensure success.

Course overview

This course is ideal to launch or further your career in the Early Years sector.

This course equips you with essential knowledge across pivotal aspects of childcare, including:

- Safeguarding the welfare of children
- Understanding the significance of play in early learning
- Planning a healthy diet for children
- Understanding the importance of valuing and respecting children

Entry Requirements

Learners should be able to complete verbal and written assignments in English.

How will it be taught?

Learners will be taught by an experienced tutor either via Zoom interactive classes, or during face-to-face sessions. For online classes, you will need to have internet access.

How will it be assessed?

All units covered during the course will be internally assessed using a range of methods. This will include a portfolio of evidence, written assignments, tasks and professional discussions.

What can learners do after this course?

Upon successful completion of this qualification, you can pursue a career as a teaching assistant in an early years classroom environment.

This course serves as an excellent foundation for advancing your education in the early years further, by getting an NCFE CACHE level 3 qualification, to become an Early Years Practitioner.
